50. A vampire named Remmick attacks a juke joint run by brothers Smoke and Stack, both played by Michael B. Jordan, in what 2025 Ryan Coogler-directed film?

A: **Sinners**

END OF FIRST HALF

THIRD QUARTER

Splits: National Dishes & Atomic Bonding

National Dishes

51. A popular measure of inflation in Georgia is an "index" created by Tbilisi ["TIH-buh-LEE-see"] State University based on the price of what national dish?

A: **khachapuri**

52. What Chinese province names a dish widely considered the national dish of Singapore, which consists of poached chicken served with rice?

A: **Hainan**

53. Mauritania, Tunisia, Morocco, and Algeria all collaborated in order to get what rolled semolina dish onto UNESCO's Intangible Cultural Heritage list?

A: **couscous**

54. What country is the birthplace of Wiener schnitzel, which is named after Vienna?

A: **Austria**

Atomic Bonding

55. A single ion with what charge can bond with chloride to form a neutrally-charged salt?

A: **1+** (accept: **+1**)

56. What Greek letter names a type of covalent bonding interaction in which two p orbitals overlap side-on, only possible if a sigma bond is also present?

A: lowercase **pi**

57. What weak van der Waals force can contribute to atomic bonding by forming a temporary dipole through the random movements of electrons in a molecule?

A: **London dispersion** forces (prompt on partial answers)

58. A difference in electronegativity of greater than 1.7 or 1.8 typically characterizes what type of intramolecular bond?

A: **ionic** bonds

Set of 4: Corsets

59. What French fashion designer used corsets to accentuate the exaggerated hourglass silhouette of his 1947 New Look collection?

A: Christian **Dior**

60. Although most modern corsets use plastic or metal, what flexible organic material was most commonly used in the Victorian era to give corsets their rigid structure?

A: **whalebone** (accept: **baleen**)

61. What name is given to the rigid, flat piece found at the centre-front of a corset, which is also where its closures are located?

A: **busk**

62. Corsets and other "regencycore" fashion aesthetics became trendy in the early 2020s after the release of what Shondaland television show?

A: **Bridgerton**

Jailbreak
